

Videomatic ECO²

Read again with an image rich in contrast

The optimized screen reading system Videomatic ECO² offers our well proven quality, optimized image display and dissolution. The device enables you to read again important documents such as bank statements or letters.

Enjoy your favourite family or holiday photos in brilliant true colours.

Benefit from additional functions. The manual focus² enlarges small print at the press of a button.

The "line marker" will help you to read line by line without losing position, the typoscope effect will cover the upper and lower part of the screen in order to reduce potential glare.

Your benefits

- ▶ an image rich in contrast
- ▶ high magnification with proven technology
- ▶ movable x/y table

The use of the system is

- ▶ flexible - due to its numerous operations
- ▶ manifold due to different functions
